

Dear Parents/Guardians,

We hope you are all keeping well. Thank you for all the hard work you are doing supporting the education of your children at this time.

We have set up the 'Seesaw' app for the Senior Infant classes. Each week we will assign a few different activities on Seesaw. Your child will be able to keep in contact with his/her teacher. Many of you have signed up. If you are not set up, you can email your child's teacher to help you get started.

We have included the 'Collins Big cat' reading scheme in our timetable this week. There are hundreds of books to choose from. Your child should begin reading the pink band books.

Please do not feel overwhelmed and remember to use the Seesaw app and the class timetable below in whatever way best suits your own circumstances.

Please note that this week's notes are for , Wednesday, Thursday and Friday, due to the Bank holiday we do have lessons planned for the Monday and Tuesday.

Take care,
