

Hello everyone in Third Class.
We are learning about Animals this month.
We have some fun games to play online.
See if you can guess all of the words in each game.

[Animal body parts 1](#)

[Animal body parts 2](#)

Can you identify these birds?
Play the game to find out .

[Birds](#)

Do you know these reptiles and amphibians?
Reptiles are cold blooded animals
Amphibians are animals that need water to survive.

[Reptiles and amphibians](#)

Some funny animal jokes

<https://learnenglishkids.britishcouncil.org/jokes/cows-the-movies>

<https://learnenglishkids.britishcouncil.org/jokes/jumping-cow>

<https://learnenglishkids.britishcouncil.org/jokes/cow-alaska>

Do you know any animal jokes?

Maybe you could write them in your copy?
Tell them to your family!

[The princess and the dragon](#)

Listen to the story.

Does this story remind you of any other stories you know?

Can you write this story in your own words and draw a picture to illustrate the story in your copy.

[Underwater animals 1](#)

[Underwater animals 2](#)

Jokes- have a look at these jokes about sea animals.
Tell them to your family!

[Full of holes | LearnEnglish Kids | British Council](#)

[The ocean and the penguin](#)

[Fish at night](#)

Have a look at these flashcards on the screen.
Can you pick out your favourite and write 4 sentences.
Describe the animal.
Where does it live?
What does it eat?
What are its enemies?
You might have to check on a website to get the information.

Sea [animals flashcards](#)

We hope you are all keeping safe and well.
Enjoy doing these activities.
Choose which you would like to do.
Enjoy the sunshine too!

Very best wishes,
abrown@stronans.ie
